Mahalo Nui Loa !

Message from the President

WELL DONE!

I may be short in stature, but not today! I am a proud tall peacock speaking on behalf of the KIFB Board of Directors to say that we have done exceedingly well in 2012. When we refocused on the children of Kauai through our KIFB programs at the beginning of 2012, we did not realize that the numbers and the sites would increase so rapidly. As we continue to focus on our **Keiki' Café** and **Back Pack** programs, we may just find ourselves expanding even more across the island. It is amazing that so many on Kauai are not aware of what KIFB really does. Check our website or call us. With our collaborative agencies we provide over 4,000 snacks a month for children from Waimea to Kapaa!

Our donors have been both gracious and generous in helping us meet this need. The commitment to be a true partner in 2013 continues to grow with many of Kauai's businesses and corporations. ***We thank you —the people of Kauai and friends of KIFB, near and far. You have made the difference and we can see it. Well done!***

We have not lost sight of the emergency requests we receive weekly. We understand. On behalf of the Board of Directors and staff, we appreciate your gift to the people of Kauai through KIFB.

Mahalo a nui loa,

Rowena B Cobb

Rowena B Cobb, President

Executive Director's Message

Aloha and Happy New Year!

Have you ever wondered what it would take to reduce hunger on Kauai? I know this is a rhetorical question. However, each of you who contributed to KIFB during 2012 certainly made a difference in the lives of more than 145,000 people who were served by KIFB and the collaborative agencies we partner with. This includes over 60,000 children, nearly 60,000 adults, and over 24,000 seniors. In addition we provided over 1,000 emergency food boxes. KIFB also distributed 750 turkeys for Thanksgiving to more than 20 agencies which were distributed through their food pantries.

This year, 2013, will be a year that will require dedication, focus, and continued efforts to provide for our citizens who find themselves in need of healthy and nutritious foods. I commend each of you for your support and dedication to KIFB and may your New Year be a prosperous one.
