I. Mission Statement

These difficult economic times have produced a staggering increase in demand. We continue to expand our *Keiki Café* and *Backpack* programs, *Kupa'a Kokua Kupuna* seniors program, and *Uluwehi* Emergency Food Distribution, plus distributions to our partner agencies.

However, our forward impetus is not to just increase our programs, but also promote food quality rather than just food quantity. Our keiki and kupuna are requesting more nutritious and fresh food and more children in our programs are vegetarians so our priorities are shifting accordingly. We are also providing our food drive partners with listings of preferred healthy and nutritious items.

We continue to hold to our mission statement. Rather than “prevent hunger”, the first word is “educate”, reflecting our focus to help improve health outcomes for low income individuals and families, echoing our desire to advocate for healthy food, improved nutrition and self-sustainability for all.

The mission of the Kauai Independent Food Bank is to:

Educate,
Provide nutritious food for the hungry,
and Respond to emergencies.

II. Summary of Program Services

Keiki Café

“Educate” and “provide nutritious food for the hungry” reads our mission statement. The KIFB’s Keiki Cafe Program aids the children of Kauai and Ni’ihau in seeing that they are provided with nutritious food, or “super snacks” that refresh their growing minds. Educational programs that stress healthy living and eating habits are also provided with the “super snack”, fulfilling two points in the KIFB’s threefold mission. With our keiki well fed and educated they can end the cycle of poverty and neediness. Keiki Cafes are available at the Boys and Girls Club Hawaii: Waimea Clubhouse, Waimea High School, and Kekaha Neighborhood Center. The Boys and Girls Club Hawaii: Lihue Clubhouse, Lihue Courts Townhomes, and Chiefess Kamakahelei Middle School. Kama’aina Kids Cafes are available at Wilcox and Kilauea Elementary School, the DOE A+ Programs of Eleele, Kalaheo, and Koloa Elementary Schools, as well as at the YWCA’s Girlz Zone.

Backpack Program

Each Friday the Backpack program provides nutritious food to disadvantaged youth between 7-17 years of age for use outside school days on the weekends. A package of nutritious food is given to the child with enough to sustain themselves and their siblings for that period. Backpack programs are available at Kanuikapono Public Charter School (PCS), Ke Kula Ni’ihau O Kekaha PCS (KKNOK), Kula Aupuni Ni’ihau A Kahelelani Aloha PCS (KANAKA), and at The Boys and Girls Club Hawaii Kapa’a Clubhouse.

Kupuna Program

We operate this program in collaboration with the County of Kauai, Agency on Elderly Affairs and Alu Like, to serve our kupuna at the Senior Centers, who stop at the KIFB once per month and receive 10-15 pounds of healthy, nutritious food at no cost. Seniors from Kekaha, Waimea, Kilauea, Koloa, Lihue, and Anahola, visit the food bank.

Uluwehi Emergency Food Distribution

This program provides those residents in the direst need the opportunity to receive sufficient emergency food to accommodate their needs for 2-3 days, until they can reach one of our partner agencies.

Partner Agencies

People of all ages are served through our food distribution to our partner agencies. Over 40 agencies distribute our food bank products throughout Kauaʻi, stretching from Kekaha on the west side all the way to Hanalei on the north shore.

Growing Food Together

An innovative collaboration with 2 steadfast local donors with large fruit orchards who donate the fruits to the KIFB, with fruit harvesting and orchard maintenance conducted by Lanakila Pacific who provide job training opportunities for the developmentally disabled through their vocational rehabilitation program. These fresh fruits are then used in our programs.

Plant a Row

Encourages gardeners, growers, farmers and school gardens to grow a little extra, and then donate the fresh and nutritious produce to our food bank. By learning to garden, our children (the future leaders and decision-makers of tomorrow) are learning how to help themselves and their families survive in these critical economic times.

Harvesting

Harvesting is an age-old way of helping the needy. Anyone with extra produce or fruit can call to request the food bank to schedule this service. KIFB volunteers pick, pack and deliver the produce to the KIFB for their programs. All produce is weighed and receipts are provided to the owner for the donation. It's a great way to promote healthier eating for recipients and eliminate food waste.
