INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Kauai Food Bank Inc.

Opinion

We have audited the accompanying financial statements of Kauai Food Bank Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Kauai Food Bank Inc. as of December 31, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kauai Food Bank Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kauai Food Bank Inc. ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but it not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsible to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kauai Bank Inc.’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial double about Kauai Food Bank Inc.’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Kauai Food Bank Inc.
NOTES TO FINANCIAL STATEMENTS
December 31, 2020

NOTE A - ORGANIZATION AND PURPOSE

The Kauai Food Bank Inc. (the Organization) was incorporated as a non-profit entity under the laws of the State of Hawaii on December 16, 1994. The Organization's mission is to educate, provide nutritious food for the hungry, and to respond emergencies.

Revenues are provided primarily from contributions. Significant reductions, if any, in the level of contributions received may have an adverse effect on the Organization's programs and activities.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

- (1) **Basis of accounting** - The financial statements of the Organization have been prepared in conformity with U.S. generally accepted accounting principles.
- (2) **Basis of presentation** - The Organization is required to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

- (3) **Use of estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- (4) **Statement of cash flows** - For purposes of the statement of cash flows, the Organization considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.
- (5) **Contributions** - Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give due in the next year are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received.

- (6) **Investments** - The Organization reports its investment in debt securities at their fair value in the Statement of Financial Position. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities.
- (7) **Fixed assets and depreciation** - Fixed assets are recorded at cost or the estimated fair market value at time of donation. Depreciation and amortization are calculated using the straight-line method over the estimated useful lives of the assets. Expenditures for repairs and maintenance are charged to expense. Property retired or otherwise disposed of is removed from the appropriate asset and related accumulated depreciation accounts.
- (8) **Functional expenses** - The cost of providing various programs and supporting activities have been reported on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the various programs and supporting services based on estimates made by management.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accordingly, certain costs have been allocated among program services and supporting services benefitted. Such allocations are determined by management on an equitable basis.

The following expenses were allocated based on the time and effort method:

Wages and related costs
Occupancy
Insurance
Supplies, printing and postage
Communication

- (9) **Income taxes** - The Organization has obtained tax exempt status under Internal Revenue Code Section 501(c)(3) and application state law.
- (10) **Shared Maintenance Costs (SMC)** - SMC fees are charged to agencies to which the Organization distributes with costs associated with receiving, storing and distributing inventory. During 2020, maximum SMC fees charged amount was \$.19 per pound.
- (11) **Donated goods and services** - Donated materials and equipment are reflected as contributions at their estimated value at the date of receipt. Donated services are recognized as contributions in accordance with U.S. accounting standards which state, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Food donations are valued at the estimated cost per pound established by Feeding America, a national not-for-profit organization. Significant and essential donated services are performed by various volunteers to support the Organization programs and activities. These services have not been reflected in the financial statements as the criteria were not met.
- (12) **Revenue and revenue recognition** - The Organization recognizes contributions when cash, food, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give (a contribution with a measurable performance or other barrier and a right of return) are not recognized until the conditions on which they depend have been met.

NOTE H - CONCENTRATION OF CREDIT RISK

The Organization maintains its cash balances at several financial institutions. At times such balances may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents. At December 31, 2020, \$948,152 in cash exceeded the federally insured limits.

NOTE I - FAIR VALUE MEASUREMENTS

FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a hierarchy for ranking the quality and reliability of information used to determine fair values and requires assets and liabilities carried at fair value to be classified and disclosed in one of the following three categories:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Board has the ability to access at the measurement date.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly through corroboration with observable market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

The fair values of financial assets are the same as their cost basis. The fair values of financial liabilities are the same as their cost basis generally because management believes that any discount on early extinguishment would be insignificant. The fair values of investments are recorded based on quoted prices in active markets (Level 1). The financial statements as of and for the year ended December 31, 2020 do not include any nonrecurring fair value measurements.

NOTE J - REVENUE FROM CONTRACTS WITH CUSTOMERS

The following table provides information about significant changes in the accounts receivable arising from SMC billings and grants during the year ended December 31, 2020:

Accounts receivable - client fees, beginning of year	\$ 1,531
Increase due to clients billings	39,399
Decrease due to collection of account receivables	<u>(40,930)</u>
Accounts receivables - client fees	<u>\$ -</u>

NOTE K - RECLASSIFICATIONS

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

NOTE L - SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 17, 2023, the date the financial statements were available for issuance.

During 2020, the Organization received and recognized grants under the federal Coronavirus Aid, Relief, and Economic security act (CARES) passed through as follows;

County of Kauai	\$ 225,000
State of Hawaii	<u>200,000</u>
	<u>\$ 425,000</u>

Also in 2020, the Organization applied for and received a loan from the United States Small Business Administration under its Paycheck Protection Program. Total loan proceeds plus interest forgiven amounted to \$ 36,854.
